COOPERS  
CREEK

NEW ZEALAND

Steeped in history, Coopers Creek have been crafted from New Zealand's best grape growing regions for over 40 years. With a legacy of making great wines we are proudly family owned and sustainably produced – protecting our lands for future generations.

### TASTING NOTES

Medium gold colour with pale straw highlights. The aroma reveals stone fruit and orchard notes, with hints of pear and golden apple. Subtle secondary scents of toasted grain and gentle spice add complexity without overpowering. Lovely balance between crisp acidity, ripe fruit and delicate oak gives the wine harmony and elegance. Medium to full body with a smooth, polished texture and satisfying weight across the palate. Finishes bright, refreshing and poised.

The 2025 Hawke's Bay Chardonnay is ready to enjoy on release or over the next three years. A versatile wine, it pairs beautifully with roast chicken, creamy pasta dishes, or grilled seafood.

### VITICULTURE AND WINEMAKING

Our Classic range of wines seeks to capture the essence of New Zealand's winemaking regions. With this Hawke's Bay Chardonnay, our winemaking approach focuses on preserving the unique beauty of the grapes through careful, considered techniques.

The 2025 growing season was excellent for the region, with a warm, dry spring followed by steady summer conditions that encouraged even ripening and retained bright natural acidity. Attentive handling in the vineyard and cellar has produced a wine with finely balanced texture, vivid fruit character, and bright, poised flavours that reflect the quality and promise of the 2025 vintage

### WINE LIST DESCRIPTION

A medium-bodied Chardonnay with vibrant stone fruit and pear flavours, layered with gentle spice and a silky, polished finish.

*Wine Orbit January 2026*

“Beautifully fruited and elegantly expressed, the bouquet shows apricot, red apple, and oatmeal notes with a flinty nuance. On the palate, it's delightfully rounded, succulent and supple. Well-structured by fine texture and bright acidity, finishing delicate and refreshing. At its best: now to 2028. Dec 2025.”
