Wine Orbit November 2025

*"It's fabulously expressed on the nose with passionfruit, feijoa, fresh fig, and kaffir lime characters, followed by a splendidly flavoursome palate offering youthful fruit intensity, backed by juicy acidity, making it delectable and highly enjoyable. At its best: now to 2028."*

### TASTING NOTES

Pale Straw with glints of green, the aroma reveals vibrant tropical and citrus fruit, with hints of passionfruit, feijoa and fresh fig. Subtle herbal and wet stone notes add complexity without dominating the bright fruit character. Lovely balance between lively acidity, expressive fruit, and delicate texture gives the wine harmony and freshness. Light to medium bod with a clean, precise mouthfeel and a vibrant, poised finish.

Our 2025 Marlborough Sauvignon Blanc is ready to enjoy on release or over the next three years. A lively and expressive wine, it captures the purity, energy and elegance that define Marlborough's signature style

### VITICULTURE AND WINEMAKING

The 2025 growing season in Marlborough provided ideal conditions for Sauvignon Blanc. A warm, steady spring and cool nights preserved bright natural acidity, while sunny late summer weather allowed fruit to ripen evenly and develop vibrant flavours. Careful vineyard management and gentle handling in the winery have produced a wine that is fresh, expressive, and true to the regions signature style.
