CREEK

NEW ZEALAND

2025
CALROSSIE SAUVIGNON BLANC
MARLBOROUGH

Steeped in history, Coopers Creek have been crafted from New Zealand's best grape growing regions for over 40 years. With a legacy of making great wines we are **proudly family owned and sustainably produced** – protecting our lands for future generations.

TASTING NOTES

This pale green wine features pungent aromas of fresh snow pea, lime leaf and jalapeño. Underlying tropical nuances of crunchy nectarine and a 'sea spray' marine suggestion. The palate is as fresh and driven as the nose. Mid weight with refreshing acidity and wonderful concentration. Extra richness and complexity is coming from the barrel aged portion. Match with salade Chevre or spicy Thai dishes liberally laced with lemongrass, ginger and lime.

VITICULTURE AND WINEMAKING

The Coopers Creek Select Vineyard Sauvignon Blanc is sourced from the finest parcels of our Calrossie vineyard, selected for their intensity, balance, and purity of fruit expression. The wine is crafted with minimal intervention, allowing the character of the site to speak clearly through to the finished wine. Fruit is harvested in the cool of the evening to preserve freshness and aromatic precision, before receiving a short period of skin contact to gently build texture and structure. Fermentation is carried out entirely in stainless steel, with carefully selected yeast strains enhancing aromatic clarity while contributing subtle savoury complexity and palate weight. Individual parcels are vinified separately and brought together through a series of considered blending decisions to achieve balance and cohesion. The result is a refined and expressive Sauvignon Blanc, defined by purity, precision, and a layered, textural finish befitting a super-premium tier.

WINE LIST DESCRIPTION

Fresh Marlborough Sauvignon Blanc with lifted snow pea, lime leaf and jalapeño aromatics. The palate is vibrant and finely textured with bright acidity and subtle barrel complexity.

WINE ANALYSIS

Alcohol 12%

pH 3.12

Acidity 7.29 g/L

Sugar 4.36 g/L

"This is intensely expressed on the nose, showing green rockmelon, passionfruit, kiwifruit, and lemon zest aromas with a hint of oatmeal. The palate is equally satisfying with excellent fruit purity and persistency, splendidly supported by beautifully pitched acidity, finishing long and delectable. At its best: now to 2028."

★★★★★ - Sam Kim, April 2026
