CREEK

NEW ZEALAND

2024
LIMEWORKS CHARDONNAY
HAWKE'S BAY

Steeped in history, Coopers Creek have been crafted from New Zealand's best grape growing regions for over 40 years. With a legacy of making great wines we are **proudly family owned and sustainably produced** – **protecting our lands for future generations.**

TASTING NOTES

Pale and bright in appearance, this 2024 Chardonnay shows evolving depth in bottle. The bouquet is expressive and layered, with vanilla, lemon and grapefruit, hazelnut, and subtle spice. The palate is balanced, with fresh acidity, generous fruit weight, a silky texture, and a long finish.

VITICULTURE AND WINEMAKING

The 2024 Limeworks Chardonnay is a carefully crafted wine from Limeworks Vineyard on Middle Road in Havelock North, Hawke's Bay. The site is defined by loess over limestone soils, with mature vines yielding expressive fruit. The 2024 season provided consistent conditions, allowing slow, even ripening and the preservation of natural acidity. This barrel-fermented Chardonnay was matured in American oak, with around 20% new, contributing subtle spice, texture, and complexity. The wine matured for roughly 10 months in barrel, supporting harmony and depth. Oak fermentation and maturation were used to shape structure while maintaining fruit purity. The vineyard's soils and considered winemaking define its character. The wine pairs beautifully with roast chicken, creamy pasta dishes, grilled seafood, and soft cheeses.

WINE LIST DESCRIPTION

A finely crafted Chardonnay showing bright citrus and stone fruit characters with integrated oak influence. The palate is balanced and textural, with layered fruit expression, gentle spice, and creamy complexity, finishing long, fresh, and finely structured.

WINE ANALYSIS

Alcohol 12.46%

pH 3.55

Acidity 5.6 g/L
